THE FEDERAL OF NIGERIA

COMPANIES AND ALLIED MATTERS DECREE, 1990

PRIVATE COMPANY LIMITED BY SHEARS

OF

NEW MILLENIUM RESOURCES NIGERIA LIMITED

INTERPRETATION:

Subject as hereinafter provided, the regulations contained in Part II of Table 'A' in the first schedule to the companies and Allied Matters Decree, 1990 shall apply to theCompany.

(a) In these regulations the Decree means the Companies and Allied Matters Decree, 1990.

(b) Unless the context otherwise requires, words and expressions contained in these regulations bear the same meaning as in the Decree.

Clauses 7 and8 of Part II of Table "A" in the first schedule shall not apply to the Company but the clauses hereinafter contained and the remaining clauses of Table 'A; subject to the .modifications hereinafter expressed shall constitute the regulations of the Company.

The Company is to be a Private Company limited by shares and accordingly the number of the company is not to exceed fifty provided that the limitation on the number of members is not to include-person;, in the employment of the company or were in that employment and have continued after the determination of that employment to be, members of the company, bat where two or u ore persons hold one or more shares in a company jointly they shall for the purpose of this article be treated as a single member:-

CLASSES OF SHARES

The Company may from time to time issue classes of shares. It shall be the responsibility of the directors to determine the classes of shares to be issued. All the rights and restrictions attached to each particular class of shares shall be specified in the terms of issue but such right may at any time be varied in accordance with the provisions of section 141 of the Decree.

TRANSFER OF SHARES

6. Subject to the provision hereinafter contained, shares in the company shall be transferable by written instrument in the common form signed by both the transferee and transferor and delivered to the company and the transferor shall be deemed to remain holder of the share until the name of the transferee is entered into the Register of members in respect of share.

RESTRICTION ON TRANSFER OF SHARES

7. a. The Directors may in their absolute discretion and without giving any reason separaterefuse to registeranytransfer of any share whether or not it is a fully paid share.

b. Any invitation to the public to subscribe for any share or debenture stock of the company is prohibited.

PRE-EMPTIVE RIGHTS OF SHARE-HOLDERS OF THE COMPANY

8. The company shall not allot any new or unissued share unless the same are offered in the first instance to all the shareholders or to all the shareholders of the class or classes being issued in the proportion as nearly as may be to their existing holdings.

9. The offer to existing shareholders shall be by notice specifying the number of share to which the shareholder is entitled to subscribe and limiting a time, not being less than 20 days after the service of the notice, after expiration of which the offer, if not accepted, will be deemed to be declined.

On the receipt of an intimation from the shareholder that he declines to accept the shares offered or after the expiration of the stipulated time as the case may be. the board of directors of the company may, subject to the forms of any resolution of the company, dispose of the shares at a price of not less than that specified in the offer, in such manner, as they think most beneficial to the company.

10. Regulations 7 and 8 above are not alterable except with the unanimous consent of ail members of the company.

ALTERATION OF CAPITAL

11. The company may from time to time by Ordinary Resolution effect an alt era "ion of its snare capital in any of the ways set out in section 100 of the Decree.

12. Subject to the provisions of the Decree on the reduction of capital the company may "wherever it considers it expedient to do so by special resolution reduce it: share capital, any capital redemption fund or any share premium account.

MEETING

13. The Annual General Meeting shall be held *ex* such time and place as the Directors shall appoint.

NOTICES

14. A notice may be given by the company to any member either personally or by sending it *by* post to him or to his registered address, or if he has no registered address within Nigeria to the address, if any within Nigeria supplied by him to the company for giving of noticetohim. Where a notice is sent by post, service of the notice shell be deemed-to be effected by properly addressing, prepaying, and posting a letter containing the notice, and to have been effected at the expiration of the day after the letter containing he same is poised.

(15) The accidentally omission to give notice of a meeting to or non-receipt of meeting by any person entitled to receive notice shall not invalidate the proceeding at the meeting-

(16) All business shall be deemed special that is transacted at an extra-ordinary General meeting with the exception of declaring a dividend, the consideration of the Accounts. Balance Sheets; and report of the Directors and Auditors, the election of Directors in the place of those retiring and appointment of and fixing of the remuneration of the Auditors.

(17) No business shall be transacted at any General Meeting unless a quorum of meeting ispresent at the-time when the meeting proceeds to business and for the purpose hereof unless it is otherwise provided, two members present in person or by proxy shall be a quorum.

(18) The Chairman* if any, of the Board of Directors shall preside as Chairman at every General meeting of the company or if there is no such chairman, or if lie is not present within thirty minutes after the meeting appointed for holding of the

(19) If at any meeting no Director is willing to act as chairman or if no director h preset within thirty minutes after the time appointed for the holding the meeting., the members shall choose one of their member to be chairmen of the meeting.

(20) No member shall be entitled to vote at any general meeting unless all calls or other sums payable in respect of shares in the company have been paid.

BISECTORS.

(21) The first directors of the company, shall be appointed by the subscriber to the Memorandum of Association.

(22) Unless and until otherwise determined by the company in general meeting the number of directors shall not be less than two

(23) The Board of Directors shall have power to appoint new directors to fill any vacancy arising out of death, resignation, retirement or removal.

(24) The Directors, from time to time and at any time may provide through Local Boards, Attorney; or Agencies for the Management of affairs of the Company outside Nigeria, and may appoint, fix their remunerations.

(25) The Directors, from time to time and at any time may provide through Local Boards, Attorney, or Agents any of the powers, authority and discretion's for the time being vested in the directors, other than the power to make calls forfeits shares, borrow money or issue debentures and any such delegation may be made on such conditions as the Directors may think fit, and may include a power to sub-delegation, and the Directors may at any time annul or vary such delegation, but no person dealing in good faith and without notice of such annulment or variation shall be affected thereby.

(26) The Director may at any time appoint any other Director or appoint any person approved by a majority of the other Directors for the time being to be his alternate and may atany time remove any alternate director appointed by him and (subject to such approval as aforesaid) appointed another in his place, an alternate Director shall not be entitled to receive any remuneration from the company nor shall it be necessary for him to acquire or hold any qualification share, but he shall be entitled (subject to his giving to the company an address within Nigeria at which notices may be served on him) to receive notice of meetings of the Directors and to attend and vote as a Director at any such meetings at which the director appointing him is not present and at such meeting to exercise all powers, duties and authorities of the director appointing him.

A director who is also an alternate director shall be entitled in addition to his vole, to a separate voteon behalf of the Director he is representing. An alternate Director, if his appointed ceases for any reason to be a Director, shall ipse facto cease to be an alternate Director. Every person acting as an alternate Director shall be an officer of the Company and shall alone be responsible to the company for his own acts and defaults, and he shall not De an agent of or for the Director appointing him all appointment; and removals: of an alternate Director made by any Director in pursuance of the article shall be sent to or left at the Registered Office of the Company.

(27) The Office of a director shall be vacated:-

a. Upon removal in accordance with the Provisions of Articles 3d hereof

b. If by notice in writing to the company he resigns the Office of Direct01.

c. If he becomes bankrupt or involvement or enter into any arrangement with his creditors.

FINANCIAL CAPABILITY/BANK REFERENCE LETTER

NEW MILLENIUM
RESOURCES NIG. LTD.

ABP/ROG/080426/SM/EA/0002

August 4, 2026

The Managing Director,
Northeast Development Commission,
No.1 Makurdi Road,
Off Shehu Bukar Road, GRA,
Maiduguri, Borno State

Dear Sir/Madam,

REFERENCE LETTER: NEW MILLENNIUM RESOURCES NIGERIA LIMITED

We write to inform you that **NEW MILLENNIUM RESOURCES NIGERIA LIMITED** (the "Company") is a valued customer of Access Bank Plc of 14/15, Prince Alaba Oniru Street, Oniru Estate, Victoria Island, Lagos State, Nigeria (the "Bank"). The Company operates a Corporate Current Account with account number 0003876886 (the "Account") which is domiciled at Sir Kashim Branch, Maiduguri, Borno State. The Account has been satisfactorily operated till date. The company has done an annual turnover of **N16,206,182,172.83** in 2025 and **N11,862,452,948.**27 since January to date in 2026.

The Company informed the Bank that it intends to execute a contract for the construction of Roads and Drainages across the Northeast Geopolitical Zone for the Northeast Development Commission (the "Project") and for this purpose requires this letter of reference.

In the light of the foregoing paragraph, we are disposed to providing the Company with banking accommodation with respect to the Project, subject to the following conditions:

1. Satisfactory review of the Company's business by the Bank;
2. The Company winning the bid;
3. Satisfactory review of the Project documents by the Bank;
4. The Project satisfying the Bank's risk acceptance criteria; and
5. All necessary regulatory approvals as well as the approval of the management and board of the Bank being sought and obtained.

This reference is given in strict confidence and without liability on the part of the Bank or any of its officers.

Yours faithfully,
For: **ACCESS BANK PLC**

Dear Sir,

PROVISIONAL LETTER OF APPOINTMENT AS AN MTN TRADE PARTNER

We refer to your application, performance review and subsequent interview with MTN Nigeria Communications Limited.

We are pleased to inform you that you have been **provisionally appointed** as an MTN Trade Partner **with effect from 1st April, 2017** in the following territory (ies):

- **Maiduguri**

To this effect, your scope of services include distribution and sales of airtime, customer acquisition, data activation etc. as stated in the Distribution Agreement, which will be executed on successful completion of 3 months probationary period.

We also require that you fulfil the following requirements precedent to receiving the final approval and signing of the substantive agreement;-

1. Provide a professional indemnity insurance for Twenty- Five Million Naira (₦25,000,000.00) covering your business and indemnifying MTN from any claims in the course of doing your business
2. Establish a minimum of 10 Points of presence (POP) in strategic locations across each territory and ensure use of RIMP for retail sales and registration
3. Deployment of field resources:
    i. Minimum of one bus and team for outbound sales activations within the territory
    ii. Minimum of 20 direct sales agents to drive redistribution of products within the territory
    iii. Minimum of 20 SWAN outlets for SIM registration and activation
    iv. Minimum 50 active POS devices for sale of VTU
4. Achievement of a minimum of 90% aggregate of set targets for the period

Registered Office Address: *No. 4, Aromire Road, Off Alfred Rewane Road, Ikoyi.*

i. Airtime Sales (phasing and total target)
ii. VTU contribution
iii. Gross Connection
iv. Compliance
v. Data

5. Maintain a minimum of three (3) days stock cover and perform all transactions via the Trade Partner Portal (TPP)

These parameters will be checked and rated via mystery shopping, regional engagements and inspection.

Failure to meet these requirements within the stipulated timeframe may result in the withdrawal of this provisional appointment.

Please note that MTNN reserves the right in its absolute discretion to determine whether you have successfully fulfilled the above requirements within the stipulated timeframe. MTNN also reserves the right to reallocate any territory to any other partner of its choice whence it is considered that the requirements above were unfulfilled.

Kindly confirm your understanding and acceptance by signing and returning a counterpart copy of this letter to the undersigned.

Congratulations!

Yours faithfully,

4. AUDITORS:

The Auditors, Messrs. Solanke & Sulaimanu (Chartered Accountants) being eligible, have indicated their willingness to continue in office in accordance with the provision of section 357(2) of the Companies and Allied Matters Act of 1990. A resolution will be proposed authorizing the directors to fix their remuneration.

17/01/2023
Maiduguri; NIGERIA

BY ORDER OF THE BOARD

REPORT OF THE AUDITORS TO THE MEMBERS OF NEW MILLENNIUM RESOURCES NIGERIA LIMITED

We have examined the financial statements on pages 6 to 10 which have been presented on the basis of significant accounting policies stated on page 5.

Respective responsibilities of Directors and Auditors:

In accordance with the Companies and Allied Matters Act 1990, the Directors are responsible for the preparation of the financial statements. Our responsibility is to form an independent opinion, based on our audit of these statements and to report our opinion to you.

Basis of opinion:

Our responsibility is to express an independent opinion on the financial statements based on our audit. We conducted our audit in accordance with International standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform our audit to obtain reasonable assurance that the financial statements are free from material misstatement.

An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularities or errors. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.

The financial statements, drawn up in conformity with generally accepted accounting principles and the accounting standards issued to date by the Nigerian Accounting Standards Board are in agreement with the books of account, which in our opinion have been properly kept. We have obtained all the information and explanations we required for the purpose of our audit.

Opinion:

In our opinion, the financial statements give a true and fair view of the state of affairs of the ***New Millennium Resources Nigeria limited as at 31st December 2023*** and of its financial performance and cash flow statement for the year ended on that date, and comply with the Companies and Allied Matters Act 1990.

NEW MILLENNIUM RESOURCES NIGERIA LIMITED

ACCOUNTING POLICIES
FOR THE YEAR ENDED 31ST DECEMBER 2023

The following are the significant accounting policies adopted in the preparation of these financial statements.

1. BASIS OF ACCOUNTING:

The financial statements are prepared under the historical cost convention and no adjustments have been made to reflect the impact of general changes in price levels on the accounts.

2. TURNOVER:

Turnover represents the value of invoices/bills issued on all contracts and delivered to the clients.

3. FIXED ASSETS AND DEPRECIATION:

Fixed assets are stated at cost less accumulated depreciation. Depreciation is calculated on a straight-line basis to write off fixed assets over their estimated useful live at the following rate; which is consistent with that of the previous years is:

Land and Building		2% per annum on cost
Furniture & equipment	-	15% per annum on cost
Motor vehicles	-	20% per annum on cost

4. WORK-IN-PROGRESS:

Work-in-progress is valued at cost of materials and other direct expenses, which have not been invoiced to clients.

5. TAXATION:

(i) ***Companies income taxation***
Income tax and education tax are provided by applying the current statutory rate on the taxable profit and adjusted profit respectively.

(ii) ***Deferred Taxation***
Provision for deferred taxation is made by the liability method and calculated at the current rate of taxation on the difference between depreciation of fixed assets qualifying for capital allowances and their corresponding capital allowances.
Deferred taxation arises from timing differences in the recognition of items for accounting and tax purposes.

REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31ST DECEMBER 2024

1. ACCOUNTS:

The Directors have the pleasure to submit their report together with the audited financial statements for the year ended 31st December 2024 to the members.

2. BUSINESS OF THE COMPANY:

The principal trading activities of the Company during the year were supplies, general contracts and buying and selling of recharge cards.

3. RESULTS:

	=*N*=
Profit before taxation	**28,590,247**
Provision for Taxation	(5,545,815)
Profit after taxation	**23,044,432**
Profit brought forward	232,156,802
Profit carried forward	***255,201,234***

4. AUDITORS:

The Auditors, Messrs. Solanke & Sulaimanu (Chartered Accountants) being eligible, have indicated their willingness to continue in office in accordance with the provision of section 357(2) of the Companies and Allied Matters Act of 1990. A resolution will be proposed authorizing the directors to fix their remuneration.

17th January, 2025
Maiduguri; NIGERIA

BY ORDER OF THE BOARD

REPORT OF THE AUDITORS TO THE MEMBERS OF NEW MILLENNIUM RESOURCES NIGERIA LIMITED

We have examined the financial statements on pages 6 to 10 which have been presented on the basis of significant accounting policies stated on page 5.

Respective responsibilities of Directors and Auditors:
In accordance with the Companies and Allied Matters Act 1990, the Directors are responsible for the preparation of the financial statements. Our responsibility is to form an independent opinion, based on our audit of these statements and to report our opinion to you.

Basis of opinion:
Our responsibility is to express an independent opinion on the financial statements based on our audit. We conducted our audit in accordance with International standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform our audit to obtain reasonable assurance that the financial statements are free from material misstatement.
An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularities or errors. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.

The financial statements, drawn up in conformity with generally accepted accounting principles and the accounting standards issued to date by the Nigerian Accounting Standards Board are in agreement with the books of account, which in our opinion have been properly kept. We have obtained all the information and explanations we required for the purpose of our audit.

Opinion:
In our opinion, the financial statements give a true and fair view of the state of affairs of the ***New Millennium Resources Nigeria limited as at 31st December 2024*** and of its financial performance and cash flow statement for the year ended on that date, and comply with the Companies and Allied Matters Act 1990.

17th of January 2025

NEW MILLENNIUM RESOURCES NIGERIA LIMITED

ACCOUNTING POLICIES
FOR THE YEAR ENDED 31ST DECEMBER 2024

The following are the significant accounting policies adopted in the preparation of these financial statements.

1. BASIS OF ACCOUNTING:

The financial statements are prepared under the historical cost convention and no adjustments have been made to reflect the impact of general changes in price levels on the accounts.

2. TURNOVER:

Turnover represents the value of invoices/bills issued on all contracts and delivered to the clients.

3. FIXED ASSETS AND DEPRECIATION:

Fixed assets are stated at cost less accumulated depreciation. Depreciation is calculated on a straight-line basis to write off fixed assets over their estimated useful live at the following rate; which is consistent with that of the previous years is:

Land and Building		2% per annum on cost
Furniture & equipment	-	15% per annum on cost
Motor vehicles	-	20% per annum on cost

4. WORK-IN-PROGRESS:

Work-in-progress is valued at cost of materials and other direct expenses, which have not been invoiced to clients.

5. TAXATION:

(i) ***Companies income taxation***
Income tax and education tax are provided by applying the current statutory rate on the taxable profit and adjusted profit respectively.

(ii) ***Deferred Taxation***
Provision for deferred taxation is made by the liability method and calculated at the current rate of taxation on the difference between depreciation of fixed assets qualifying for capital allowances and their corresponding capital allowances.
Deferred taxation arises from timing differences in the recognition of items for accounting and tax purposes.

REPORT OF THE AUDITORS TO THE MEMBERS OF
NEW MILLENNIUM RESOURCES NIGERIA LIMITED

We have examined the financial statements on pages 6 to 10 which have been presented on the basis of significant accounting policies stated on page 5.

Respective responsibilities of Directors and Auditors:
In accordance with the Companies and Allied Matters Act 1990, the Directors are responsible for the preparation of the financial statements. Our responsibility is to form an independent opinion, based on our audit of these statements and to report our opinion to you.

Basis of opinion:
We conducted our Audit in accordance with generally accepted auditing standards. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularities or errors. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.

The financial statements, drawn up in conformity with generally accepted accounting principles and the accounting standards issued to date by the Financial Reporting Council of Nigeria Act 2011 are in agreement with the books of account, which in our opinion have been properly kept. We have obtained all the information and explanations we required for the purpose of our audit.

Opinion:
In our opinion, the financial statements give a true and fair view of the state of affairs of the ***New Millennium Resources Nigeria Limited as at 31st December 2025*** and of its financial performance and cash flow statement for the year ended on that date, and comply with the Companies and Allied Matters Act 1990.

NEW MILLENNIUM RESOURCES NIGERIA LIMITED

ACCOUNTING POLICIES
FOR THE YEAR ENDED 31ST DECEMBER 2025

The following are the significant accounting policies adopted in the preparation of these financial statements.

1. BASIS OF ACCOUNTING:

The financial statements are prepared under the historical cost convention and no adjustments have been made to reflect the impact of general changes in price levels on the accounts.

2. TURNOVER:

Turnover represents percentage of commission received from networks providers after deducting commission payable to sub dealers on all sales of recharge cards to third parties.

3. FIXED ASSETS AND DEPRECIATION:

Fixed assets are stated at cost less accumulated depreciation. Depreciation is calculated on a straight-line basis to write off fixed assets over their estimated useful live at the following rate; which is consistent with that of the previous years is:

Furniture & fittings	-	15% per annum on cost
Motor vehicles	-	20% per annum on cost

4. WORK-IN-PROGRESS:

Work-in-progress is valued at cost of materials and other direct expenses, which have not been invoiced to clients.

5. TAXATION:

(i) ***Companies income taxation***
Income tax and education tax are provided by applying the current statutory rate on the taxable profit and adjusted profit respectively.

(ii) ***Deferred Taxation***
Provision for deferred taxation is made by the liability method and calculated at the current rate of taxation on the difference between depreciation of fixed assets qualifying for capital allowances and their corresponding capital allowances.
Deferred taxation arises from timing differences in the recognition of items for accounting and tax purposes.

Dear Sir,

AWARD OF CONTRACT

2024 TETFUND SPECIAL INTERVENTION ON EQUIPMENT UPGRADE
SIP/24 LOT 7

I write on behalf of the University to award you contract for the **Supply and Installation of Equipment to the Departments of Computer & Electrical/Electronic Engineering** at the contract sum of **₦94,191,500.00** with **6 weeks** completion period.

The award which was based on your earlier bid, adopted your tender figure as the contract figure, in line with the Due Process Guideline.

The scope and specifications of the work are as outlined in the bid document and the standard/quality of the items to be supplied must adhere to specifications. The contract sum contains all inputs of materials, labour and overheads. Therefore, the University will not entertain any request for fluctuations/variations under this contract. The project should be completed within the stipulated period, otherwise the appropriate penalty clause in the contract agreement which you will sign upon acceptance will be invoked as may be appropriate.

Furthermore, by the Due Process Guideline, an advance payment of 30% will be made available to you upon the production of a **Bank Performance Bond.** But in the event, you choose to effect the construction/supply without taking the advance, you will be paid as may be valued.

If these conditions are acceptable to you, please indicate so in writing.

Thank you.

Yours faithfully,

AHMAD A. LAWAN, MNIM, FICA

REF: Civil Work At Maiduguri Site Against Contract no.: GV/CVL/RS/MAIDUGURI/270325

SUB: -LETTER OF AWARD FOR CIVIL WORK AT MAIDUGURI LCNG STATION

Kind Attn: Mr. Umar Ibrahim,

This Letter of Award refers to the Agreement (the "Contract") **Contract no.: GV/CVL/RS/MAIDUGURI/270325**, made on the 27th day of Mar' 2025,

BETWEEN:

GREENVILLE LIQUEFIED NATURAL GAS CO. LTD., a Company incorporated in Nigeria and having its registered office at 45B, T. Y. Danjuma Street, Abuja, FCT, Nigeria (hereinafter referred to as "GREENVILLE" or the "Owner", which expression shall where the context so admit includes its successors in title and Assigns) of the one part;

AND

NEW MILLENNIUM RESOURCES NIGERIA LTD., a limited liability company having its registered office at 29, Mamman Lawan street, Sir Kashim Ibrahim Rd. PO Box 388, Maiduguri, Nigeria (hereinafter referred to as CONTRACTOR or the "Contractor", which expression shall where the context so admit includes its Successors in title and Assigns) of the other part.

GREENVILLE and CONTRACTOR are hereinafter individually and collectively designated respectively as a "Party" and the "Parties".

WHEREAS

(A) GREENVILLE is operating a RETAIL STATION (the "SITE") at Maiduguri-Kano Road LCNG Station location – Maiduguri-Kano Road, Maiduguri-Borno State, Nigeria (the "Site");

(B) GREENVILLE wishes to carry out civil construction works as fully described in the drawing and BOQ, at Maiduguri-Kano Road LCNG Station location – Maiduguri-Kano Road, Maiduguri-Borno State, Nigeria (the "Work");

(C) GREENVILLE has selected CONTRACTOR to execute the "Work";

(D) CONTRACTOR declares to have the competence, the know-how and all the resources for the correct and proper execution of the Works within the time for execution indicated in this Contract;

(E) CONTRACTOR declares to have fully understand GREENVILLE's requirements, as provided in this Contract and as notified to CONTRACTOR in correspondence and meetings between the Parties prior to the date hereof, and CONTRACTOR has confirmed that it shall fulfil the said requirements;

(F) CONTRACTOR has examined carefully the Contract documents including but not limited to the Annexes. CONTRACTOR has confirmed that it has understood and checked these documents and has ascertained that they contain no substantial errors or other defects.

(G) CONTRACTOR has studied, as detailed in layout drawings, BoQ and as per the Contract, all matters pertaining to the Contract, including but not limited to, the location and nature of the Works, climatic conditions, the nature and

condition of the raw materials, the transportation and communications facilities and conditions, the availability of utilities and any other factors that may affect the cost, duration and/or execution of the Works.

(H) CONTRACTOR confirms, that the Contract Price includes all the labor and their related costs, materials (except those specifically identified as to be supplied by GREENVILLE and/or by others), equipment, tools, consumables, utility, Safety Equipment (PPE), testing activities, and all other items necessary to perform and complete the Works. CONTRACTOR has taken into consideration all national ordinances, acts and regulations pertaining to the execution of the Works and the operations and activities of CONTRACTOR applicable at the time of signing, including subsequent changes which CONTRACTOR shall be expected to comply with. Accordingly, CONTRACTOR offers to execute and complete the Works and remedy any defects therein, in conformity with the provisions of this Contract.

The above subject matter refers, We (Greenville Liquefied Natural Gas Company Limited) hereby confirm the award of Civil Work at Maiduguri-Kano site inline with Contract no.: **GV/CVL/RS/MAIDUGURI/270325** only to the above referred Contractor with all applicable clause of issued Contract.

This letter does not relieve the Contractor of any continuing Obligation to Greenville (Company) under the Contract and /or SAP work order, nor does it affect any statutory or common law rights or clauses issued in referred Contract, held by Company "Greenville".

Yours Faithfully,
For : Greenville LNG Co. Ltd.

Dear Sir,

AWARD OF CONTRACT

2017, 2018 AND 2019 (MERGED) TETFUND ANNUAL INTERVENTION PROJECTS AIP LOT 8

I write on behalf of the University to award you contract for the **Furnishing and Equipping of Instructional Technology Centre Phase II** at the contract sum of **₦49,484,083.41** with **4 weeks** completion period.

The award which was based on your earlier bid, adopted the consultant's figure as the contract figure, in line with the Due Process Guideline.

The scope and specifications of the work are as outlined in the bid document and the standard/quality of the construction/supply to be made must adhere to specifications. The contract sum contains all inputs of materials, labour and overheads. Therefore, the University will not entertain any request for fluctuations/variations under this contract. The project should be completed within the stipulated period, otherwise the appropriate penalty clause in the contract agreement which you will sign upon acceptance will be invoked as may be appropriate.

Furthermore, by the Due Process Guideline, an advance payment of 15% will be made available to you upon the production of a **Bank Performance Bond.** But in the event you choose to effect the construction/supply without taking the advance, you will be paid as may be valued.

If these conditions are acceptable to you, please indicate so in writing.

Thank you.

Yours faithfully,

INTRODUCTION

Though the company had been in operation, operating at an informal level to individuals and organizations some of whom had enjoyed its services in these years, the company decided to formalize its operations and hence the birth of **NEW MILLENIUM RESOURCES NIGERIA LTD** which came into full operations in Since its incorporation, the company has consistently met the increasing market demands for Civil/Building, Borehole, Dredging and Hospital Managements and Equipment, through the experience knowledge of the management team.

OBJECTIVE

The main objective of the Company is to provide a broad based constructional Engineering and related services that will be indigenously oriented to challenge the present foreign dominance of the construction engineering industry by giving a better or an equivalent service being supplied by the foreign firms. Professional integrity in a steady and progressive growth earnestly exploring all available potentials and resources for the advancement of engineering services is our primary concern.

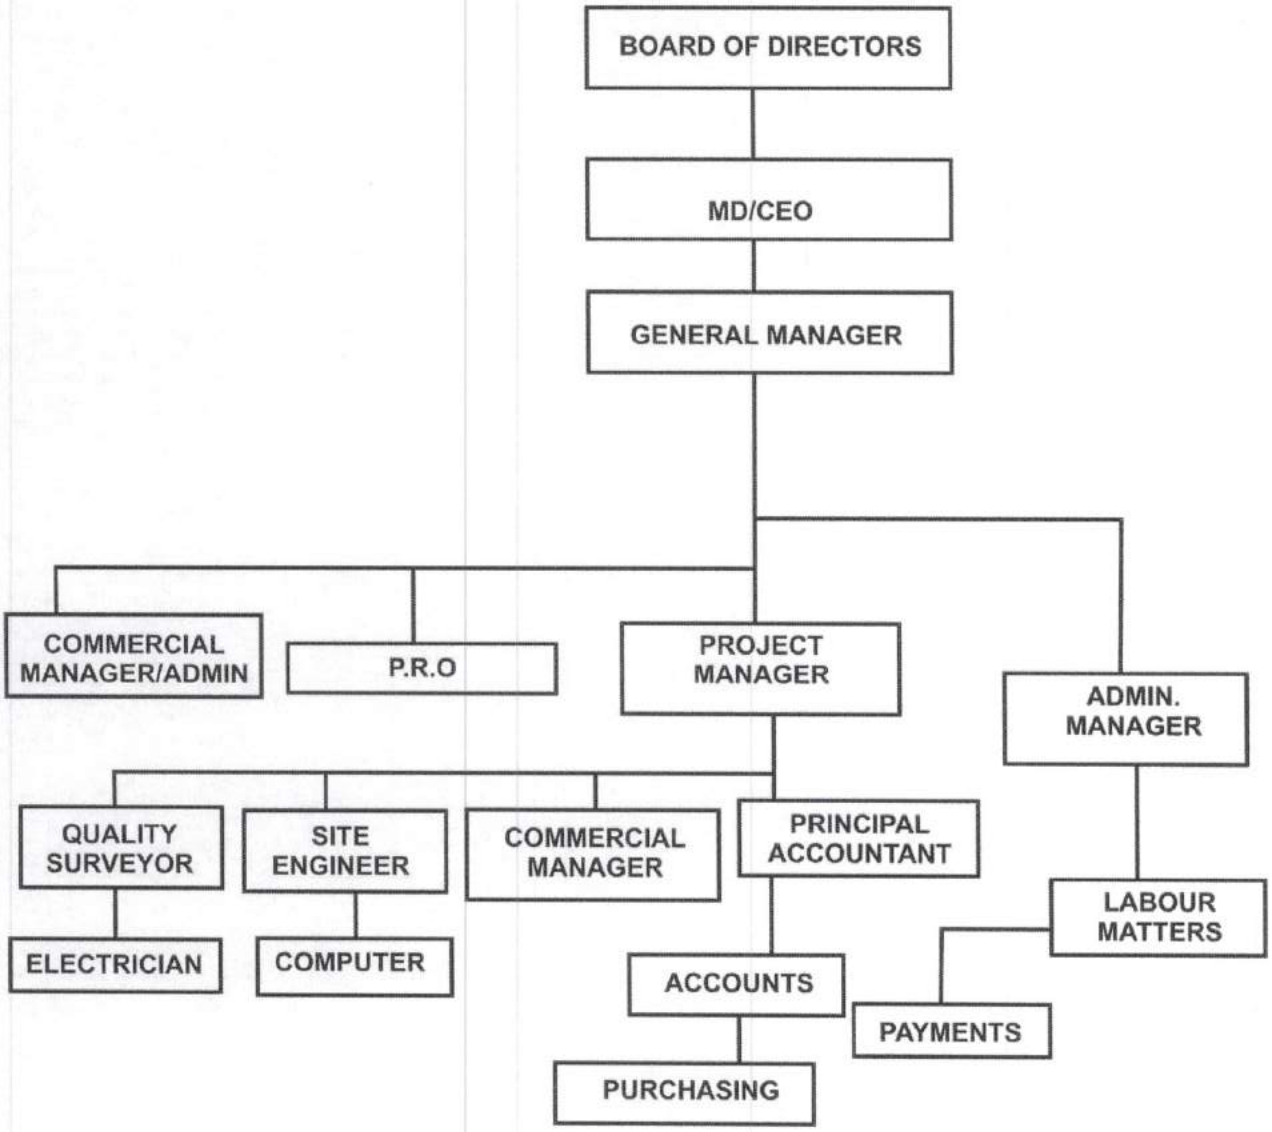

OUR VISION

Our vision is to highlight some technical issues
In engineering, construction, supply industry
And address the gaps for the growth of the
Industries and our economy generally

OUR MSSION

- To deliver unrivaled quality services that will yield optimal value at the least cost
- To provide the best professional and consultancy services to our client
- To avoid injury on workers, sub-contractors and third parties during the cause of our construction activities
- To minimize environmental impact at our construction sites
- To work in harmony with the host communities in order to promote a healthy and mutually beneficial relationship that will foster long term corporation and understanding between **NEW MILLENIUM RESOURCES NIGERIA LTD** , our clients and the host community.

OUR STRUCTURE

INTRODUCTION

NEW MILLENIUM RESOURCES NIGERIA LTD was registered with the primary objective of helping to Develop and support the rapid industrialization trend currently sweeping through the third world countries with particular interest in Nigeria and other African countries in general. The company is registered with Corporate Affairs Commission in Nigeria as a private company under the Allied Matters Decree, as one of the tall standing indigenous Engineering, Procurement, Construction, Dredging Operation, Power Borehole, Electrical Engineering, Supplies, General Contractors and Maintenance firm.

NEW MILLENIUM RESOURCES NIGERIA LTD was basically created to provide services in areas of Engineering, Procurement and Construction major interest in Building, Bridges and roads, Electrical Engineering etc. So far so good we have been meeting this expectation.

The Company is wholly Nigerian and is poised to play a significant role both in Nigeria and indeed the world in the area of provision of sound and turn-key engineering services to both public and private owned companies.

We are fully integrated engineering services company, organization with considerable and extensive experience in our chosen area of specialization, a splendid history of engineering projects capabilities, with an excellent team of experienced personnel that are able to provide effective project management for various engineering projects. The Company has continued to grow and diversify its operations and is positioned to do business involving Engineering Construction. A Nigerian Company with an international reputation.

OBJECTIVE

The main aim and objective of the Company is to provide a broad based design constructional and related services that will be indigenously oriented to challenge the present foreign dominance that is in the industry by giving a better or an equivalent services being supplied by the foreign firms, we are already a design construction firm and construction consultant to a lot of other firms and organizations. Therefore has a professional integrity and a steady progressive growth earnestly exploring all available potentials and resources for the advancement of engineering and construction services.

MISSION STATEMENT

Since we are committed to the practice of construction technology with a passion for excellence in practice, our mission therefore is to maintain good will toward all customers/clients through honesty,qualityand integrity propelled by self motivation and pragmatic disposition.

BUILDING CONSTRUCTIONS

NEW MILLENIUM RESOURCES NIGERIA LTD is able to provide a full range of Professional Civil/Structural Engineering, Buildings, Roads construction, Design, consultancy services covering multiple engineering Projects Facilities Management, Landscape, Planning, Development, Designs and maintenance.

EROSION CONTROL

The Division undertakes projects in all aspects of Erosion control and Drainage services. ***NEW MILLENIUM RESOURCES NIGERIA LTD*** has a track record that is continuously developing the range and depth of its skills through training and recruitment. Through a network of regional offices and strategically located core skill centres, we are able to provide the full range of professional engineering services locally and throughout Nigeria.

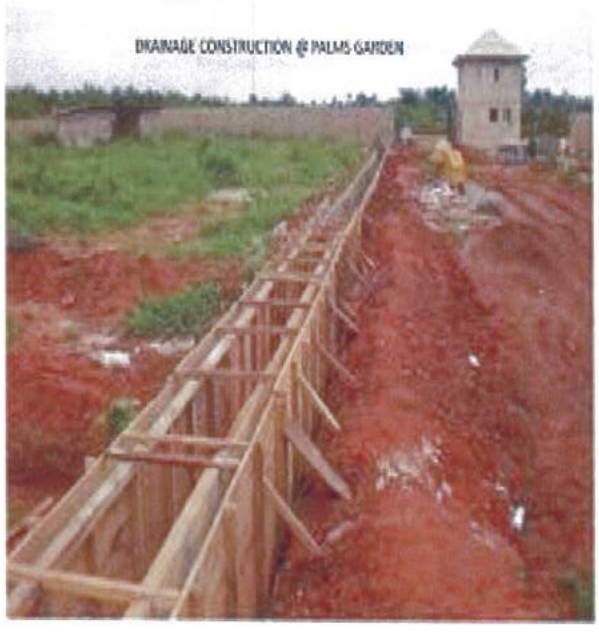

ROAD AND BRIDGE CONSTRUCTION

NEW MILLENIUM RESOURCES NIGERIA LTD has a Civil Engineering Design experience. We provide a full range of services for site development and infrastructural project needs, including design for roads, Bridges, paving parking, grading, storm drainage and retention, water and wastewater site development and master planning.

UTILITIES

NEW MILLENIUM RESOURCES NIGERIA LTD is an experienced firm in providing design for utilities. Our projects involve the design of new utilities as well as the relocation of existing systems to accommodate additions and new construction. We have provided design for water, sanitary, transmission and distribution systems, wastewater collection, treatment and transport.

SURVEYING CAPABILITIES

We maintain our own in house survey Division for the express purpose of providing our clients as well as our own engineers, with the best in accurate, fast-track surveying for all projects our firm designs. Our senior surveying personnel has many years of supervisory experience in all types of projects. Providing exacting standards and schedules. Our surveying division utilizes compatible field data records and computer equipment to ensure accuracy and fast-track completion of field work.

LANDSCAPING AND HORTICULTURAL DESIGNS

- Landscaping
- Horticultural Designs
- Flowering Plants Sales and Marketing
- Maintenance of Gardens
- Orchard keeping and maintenance

PROJECT MANAGEMENT

NEW MILLENIUM RESOURCES NIGERIA LTD has been engaged in providing engineering and construction services for various arms of operations in Nigeria which include Governments, Corporate organizations & Private individuals.

Our experience range from providing consultancy services to undertaking turn-key contracts. We have executed turn-key projects for many sectors of the economy. Attached here is a brief description of the work we have done both in the past and recent times.

TECHNICAL EXPERIENCE

NEW MILLENIUM RESOURCES NIGERIA LTD is a design, engineering, construction, commissioning and maintenance company that is equipped to satisfactorily execute major projects in the area of civil, roads, Bridges, building mechanical engineering, Electrical Engineering Power, architecture and associated fields in the construction, oil/gas and allied industries.

NEW MILLENIUM RESOURCES NIGERIA LTD was established and managed by highly experienced personnel, with international experience in the construction industry.

ENGINEERNG - DESIGN AND CONSTRUCTION

This section undertakes the design, construction and installation of civil construction works and services as follows:

Building and Structural Construction works:

NEW MILLENIUM RESOURCES NIGERIA LTD employs experienced builders, architects and structural engineers in this field, hence the high standards maintained in all its building projects. Building projects handled by **NEW MILLENIUM RESOURCES NIGERIA LTD** include but are not limited to the following:

Schools, Universities, Libraries, Multi-purpose Halls, Estates, Shopping Malls and Complexes, Civic Centres, Rank and File Barracks, erosion and dust control, other civil construction works also handled by **NEW MILLENIUM RESOURCES NIGERIA LTD** are Roads and Bridges, surface and underground sewage disposal network systems, piling projects, borehole drilling, landscaping and horticultural designs etc.

ROAD CONSTRUCTION

All road and building construction activities are basically carried out according to design and quality control specifications on Electrical, Mechanical material and instrumentation engineering. In **NEW MILLENIUM RESOURCES NIGERIA LTD ,** we have versatile, experienced professional team that helps the company to operate successfully in this sector.

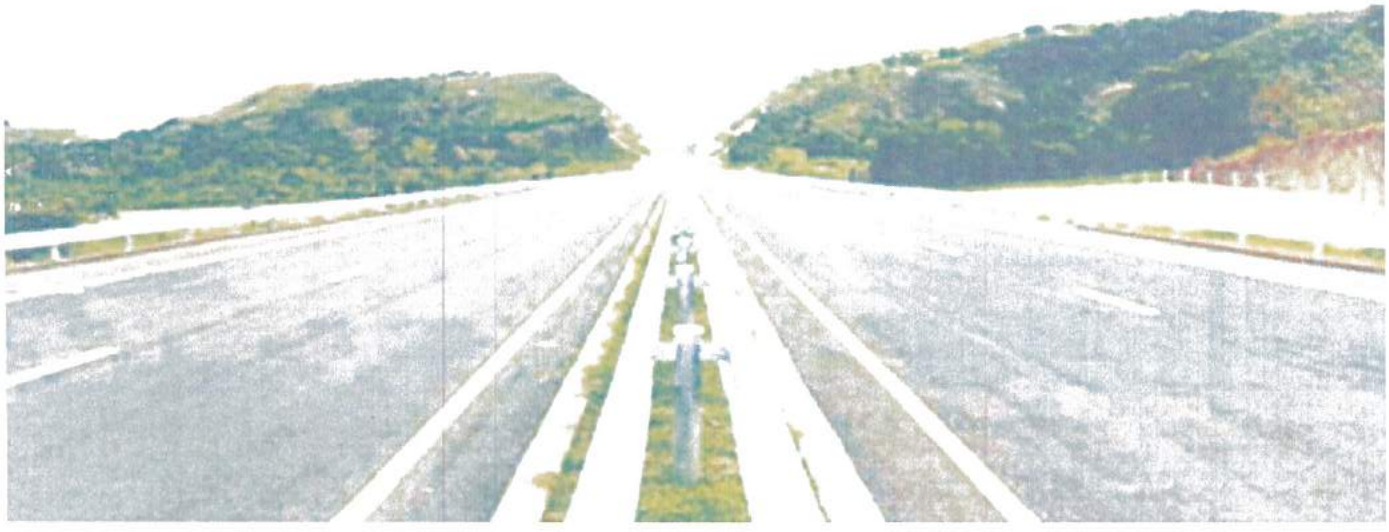

PROFICIENCY IN CIVIL ENGINEERING CONSTRUCTIONS

Our company is quite proficient in the field of Civil and Structural construction and prides itself of a consortium of experts with special expertise in concrete and block, structural steel buildings on raft foundations/pilings.

ELECTRICAL ENGINEERING/INSTRUMENTATION

We offer a wide range of Electrical Engineering services including design and installation of domestic and industrial buildings, wire works, industrial and domestic cooling system / Air-conditioning and refrigeration and cold rooms etc. Our experts also provide the latest state-of-the-art electrical/electronic appliances such as UPS, systems, acoustic finishing, electrical, networking etc.

NEW MILLENIUM RESOURCES NIGERIA LTD is in power sector-generation, transmission, Distribution, Trading in Electric power, and Provision of Energy and Power services.

MECHANICAL ENGINEERING AND CONSTRUCTIONS

Plant Installation and Upgrade

This includes plant additions, modifications, upgrades and maintenance.

FABRICATION

- Overhead shop cranes
- Spool piping
- Production skids
- Manifolds
- Structural items including small decks and boat landings

Electrical Engineering Division and General supply

Services Offered

- Industrial Processes and Installations.
- Electronic, Lighting and Building Installation

Power Systems Design and Construction Management

- Medium and low voltage distribution systems for urban and rural areas
- Electrification of low-income areas

Lighting Systems Design and Construction management

- Road lighting
- Area lighting
- Lighting of sports fields

Industrial Installations

- A comprehensive and integrated electrical, strumentation and control service is available for industrial process plants, specialising in Sugar and Chemical Industries.

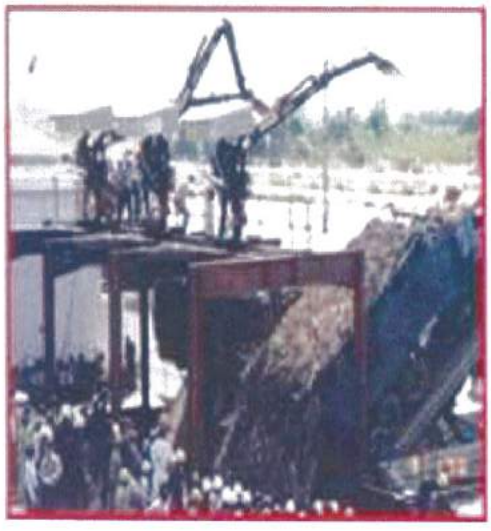

Electrical Engineering Installation

- Power factor correction
- UPS systems and special power supplies
- Installation earthing
- Surge and lighting protection
  - Control and supervisory (SCADA) systems, including: centralised and distributed data and control management system
  - telemetry systems

- management information systems

Lighting, Building and Electrical Installation

- Lifts and escalators
- indoor lighting
- security and area lighting
- Standby power supplies
- Data networks
- PA and background music systems
- Access control, time and attendance system
- Surge protection systems
- Security systems
- Fire detection systems
- Perimeter fence systems
- Fibre-optic cable signal distribution
- Video surveillance
- Medium and low-voltage

Solar Energy Division

NEW MILLENIUM RESOURCES NIGERIA LTD is reputed for **conceptualizing**, **planning,designing** and **deploying** solar powered solutions to meet the growing private and industrial needs. We are a facilitator, integrator, provider and installer of a variety of complementary energy products and services within the homes and at a larger commercial entity as well as for local councils, states and regions. We have recorded tremendous achievements in utilizing modern, state-of-the-art equipment and best globally competitive technologies in partnership with our best brains and specialists to provide required services.

NEW MILLENIUM RESOURCES NIGERIA LTD also provides Energy Consultancy Services and helps maintain our clients' equipment all around the globe.

NEW MILLENIUM RESOURCES NIGERIA LTD is a specialized entity that has also provided professional and to provide smart power solutions on challenging geographical areas where there is near absence of electricity in Nigeria, Gabon and Equatorial Guinea. The success stories of these projects are resounding and we are glad to have successfully undertaken solar powered solution projects even beyond the shores of Africa. Our solar solutions are need-based, economically viable, and highly customized to meet global standards. **Solar energy systems** can help bridge the electricity gap amongst our clients and would-

be customers in illuminating streets, stadia, and all manners of electricity needs.

For a more secured, functional and sustainable solar powered street lightings, **NEW MILLENIUM RESOURCES NIGERIA LTD heartily** recommends through the establishment of a **Modern Solar Powered Farm that has the capacity to power and control** several kilometers of street lights. This can help in providing the needed lights to secure our towns and cities against impending dangers and from the activities night marauders.

NEW MILLENIUM RESOURCES NIGERIA LTD Modern Solar Powered Farm will be safely and securely housed in a well technically fabricated enclosure consisting of fortified perimeter fencing within which all the Solar Components and utility batteries will be accommodated. From this Modern Solar Powered Facility, our reliable ultra-conduction armored cables will be laid in protective underground trunks to supply the much desired street lights to the designated

Solar Powered Farm for Solar Street Lights – The NEW MILLENIUM RESOURCES NIGERIA LTD Perspective

The solar street light system is designed to provide continuous, uninterrupted but reliable source of light to need communities and areas where there is epileptic and unreliable electricity

supplies and or where there is complete absence of the infrastructure.

- External and Internal Electrical Power Supply and Distribution.
- Rural Electrification Scheme.

CONSULTANCY SERVICES

Due to the ever increasing pursuit of the Federal Government of Nigeria in providing portable and safe for human consumption water, we are blessed with seasoned and experienced personnel in the field of water Engineering Designs. Coupled with these, our services are backed up with practical training on the mode of running and maintenance of water treatment and laboratory analysis.

General Consultancy Services on:

Design of Structural Engineering Project: This includes the design of structural engineering projects. Every engineering structure requires appropriate design. Basically, it involves the calculation of the structure backed up with proper setting.

NEW MILLENIUM RESOURCES NIGERIA LTD SUPPLIES CENTRE

We undertake Local / Foreign purchases for materials and equipment required in our projects and also maintain stock of items to meet clients' requirements.

EQUIPMENT FACILITY AND PERSONNEL

We have good and serviceable equipment for work ranging from Mechanical, Electrical, Civil, Personal protective, First aid, Fire protection and fighting equipment and other facilities ideal for oil field services.

Our personnel are qualified, experienced and capable. Our project Management Team made up of the Project Manager,

Project Engineer, Site Supervisor and Safety Manager are seasoned men in their respective fields.

They possess the ability to manage, control and supervise all activities relevant to the job in efficient and safe manner

SAFETY MEETING

The primary purposes of these are:

- To stimulate effective communication between staff and management.
- Monitor and promote safety awareness.
- Report unsafe conditions and practices
- Monitor arid highlight effective accident prevention efforts.

Safety meetings have a structured forms action oriented, relevant and participation is highly encouraged. There are two types of CASHES meetings.

1. **Site CASHES meetings:** This is usually brief (say 15-30minutes) and held by the work crew once in two weeks. This meeting gives site Supervisor the opportunity to acquaint the work force with the practices, policies and objectives. It gives the workers the opportunity to participate in the review of safety measure and to develop a plan to resolve deficiencies.

2. **Project Management Safety Meetings:** In addition to periodic safety meetings, Daily Toolbox meetings or Pep talk sessions not more than 15-20minutes. These meetings include, job safety analysts/task related briefings highlight

hazards in the work environment and the precaution. These are documented and copies sent to client, while a copy is retained in the site Office.

SAFETY MEETING ARRANGEMENT

Regular meeting is a means of dissemination of policy information, reviewing targets, performances and objectives and sharing learning points. It is mandatory for all workers/staff to attend and participate in this meeting to ensure full understanding of and contribute to the issues to be discussed.

Regular safety meeting is conducted at every fortnight by the Supervisor/Safety Officer in addition to daily toolbox meetings, pep talks and job safety analysis/task related briefing with emphasis on safety awareness, hazards, precautions in work environment use of protective equipment and its valve to human life. Clients are invited to attend the meetings.

The unit Foreman/Supervisor and all site personnel conduct the toolbox meeting. The daily morning safety briefing is held collectively every morning before the beginning of each day's assignment. The aim of this meeting is to inform all concerned in very clear and understandable terms the type of work slated for the day, associated hazards, and means of controlling or eliminating such hazards. The briefing is usually less than ten minutes.

Supervisors ensure that all information on policies is communicated to all staffs. The meeting is documented and the

Project Manager, Safety Officer and the Site Supervisor assist with the coordination, follow-ups implementation and verification.

In addition to the safety briefing and the monthly site operational safety meeting, there is project management safety committees, which act as the project guardian, ensure that CASHES policy and objectives constituted.

The primary functions of the committee are:

- To stimulate effective communication between staff and management.
- Monitor and promote safety awareness.
- Report unsafe conditions or practices.
- Monitor effectiveness of accident preventions and abatement efforts.
- Inspection of working conditions, equipment and practices, and decide on measures aimed at improving deficiencies.
- Investigate accidents and recommend counter measures.
- Acts as advisory board on the training of personnel.

The committee is composed of:

- Managing Director - Chairman
- Project Manager - Vice
- Safety Manager - Secretary
- Project Engineer/Site Supervisor Member

SAFETY RECORDS

In order to safeguard our workforce/staff we ensures that employees complete forms furnishing their qualifications as it relate to their respective job and safety courses attended especially courses related to the work.

PERSONNEL SAFETY TRAINING RECORDS

We conduct health safety and environment training for staff. Such trainings are aimed at enhancing the overall CASHES awareness and performance of work by the staff in training. This is a part of employees' personal development e.g. building of confidence and proficiencies in the company.

The safety Officer and the Site Supervisor ensure compliance with this policy. Unit/Department nominates head for regular safety training. The Safety Manager enlist assistance from the sponsor department from the client's Organization and nominated personnel for such training is published and training schedule/programme stating the type of course, course objectives, date and those eligible to these courses for these courses.

The safety training available in our company includes:

- Industrial First Aid course
- Basic Fire Fighting and Prevention
- Site Unsafe Act/Conditions Auditing
- Safety Induction for new Personnel.
- Materials Handling Courses
- Defensive Driving Courses
- Accident Reporting and investigation.

These courses are either handled in-house by our safety/training Manager or by the safety Consultants External Instructor).
Training is carried out in a manner it does not disrupt or interfere with normal operations.

Reports of this nature are normally made and forwarded to the client's sponsor's department and safety department. The safety department also keeps records of personnel training status, which also form part of their personal records.

PERSONNEL TRACKING SYSTEM

Upon employment, the Personnel Department for control and records take down the personal data of the employee.

Personnel movement is controlled by the use of Bio metric data Machine. A worker wishing to move to another location is asked to clock out while the machine captures time of departure and date. On return, he clocks in date/time.

BOREHOLE DRILLING

Drilling of boreholes, Dredging, Dams construction and installation of overhead tanks and water reservoir, construction and installation of irrigation facilities, structural water works, pipeline design and fitting, Geophysical and hydraulic conductivity studies, aquifer analysis, borehole development, pump test, installation and maintenance works, flood control and routing, water analysis, etc.

NB

The bore hole drilling operation is affected in stages viz:

STAGE 1: Geological Survey:

The initial step is to undertake a geological survey to determine the depth of the aquifer, good drinkable water and tong lasting one.This is the feasibility work which will reveal the water level and rock basement which will enable us achieve a perfect work.

STAGE 2: We drill between 35-100 meters depending on the geological survey report showing the water level and basement rock. The basement rock does not pose much challenge as we have the needed equipments to ensure success of the exercise.

STAGE 3: Drilling, casting, development and installation. Etc.

STAGE 4: Mechanical& Plumbing Work, DPC waste piping, water supply, channel piping, connections at input and out nut pipes.

with emergency situations and what is expected of every one. Thus, response time is reduced drastically to the barest minimum and panic/erratic actions are eliminated. To generate and sustain a practical approach to emergencies, the company has evolved the following drill plan of action.

The Supervisor/Safety man enhances worker's preparedness to contend with emergencies and inculcate in the workforce the correct response to every emergency.

- Established and publicized drill procedure to all workers
- Ensure that emergency drill is conducted every fortnight
- Ensure that such drills include fire medical emergency, assault, and etc
- Record response time and roll call (as the case may be) or each drill period and sound alarm to ensure compliance
- Ensure that all drills sections are documented by the safetyman or the Supervisor and copies sent to client

The following steps are taken during drills

- A drill warden is appointed for each drill section and a safe area for mustering personnel in an emergency is identified
- The warden is around during drills to ensure no one is in the office once an emergency drill alarm is sounded
- Once the drill alarm is sounded, everyone move out and gather at the designated point(s)
- The drill warden gives count and report to the drill site Supervisor/safety officer
- Basic emergency response procedures is taught and demonstrated at each section. This does not exceed twenty minutes.

ARRANGEMENTS FOR MEDICAL CARE

- We provide medical and first aid services for all employees
- All workmen are certified medically fit for work.
- All workmen go through a periodic medical check-up to ascertain their continued fitness, which is part of our health-monitoring programme
- All expatriates are regularly examined for malaria parasite and malaria prophylactics administered on them every six months.
- All our drivers' under-go Porto-clinic and Porto-glare tests.

Our caterers/Food contractors are tested for TB before engagement

Our maintain an insurance scheme against any liability that may result in the event of any of her personnel suffering from occupational diseases or any other impairment to health.

We site clinic is well equipped

The clinic is left under the care of a competent Nurse who gives First aid treatment to employees and also gives relevant reports about health status of the employees.Severe cases are referred to company's retained hospital.

CONTINGENCY PLAN (1)

We have specific contingency plans, which seek to highlight what should be done when any ward event occurs. Such emergency events include incidents, water borne accidents, Radiation incidents and medical emergencies.

Emergency preparedness procedure drills is conducted at least once monthly and the number of participates are recorded.

a. Fire Response and Fighting

- Raise an alarm by shouting Fire! Fire!! Fire!!! Or operate the nearest fire alarm to alert people in the immediate vicinity a Continuous siren.
- Fighting the fire with appropriate fire-fighting equipment until help arrives.
- Remove combustible materials to prevent the spread of fire.
- All workmen must report to muster point(s).

- Supervisors must muster all personnel and check if everyone is present.
- First aid is administered in cases of injuries before reference to hospital.
- Company base and client's base is immediately notify by radio or phone stating, Name, location of fire, time of fire outbreak, and other useful information.

b. Houseboat Emergency

- Raise alarm
- All workers must assembly at muster point/barge
- Safety Officer/Supervisor must check all roams to ensure all the workmen are alerted and gathered at the muster points for

SITE SANITATION AND HOUSEKEEPING

To ensure that high standard of cleanliness and orderliness are maintained at all times, the site ensures interior and exterior are regularly cleaned.

We encourage good housekeeping habit on the part of the workmen.

WORK ASSOCAITED HAZARDS/CONTROL UNIT

We envisage hazard during the execution of work and take precautionary measures to prevent their reoccurrences. The major incident/hazard that occurs during job execution includes but is not limited to the following.

- Falling into a burrow pit of truck and wheel leader while tipping sand and while moving earth to fill the pit.

- Presence of flow-lines.
- Road traffic accidents (collisions) as the company trucks negotiate to cross the busy highway.
- Security problems such as assaults, theft or robbery, owing to isolation of work area from the densely populated urban area.

HAZARDS PREVENTN CONTROL MEASURES

1. Falling into burrow-pit

- Only trained and experienced Operators/drivers are engaged.
- The burrow pit is cordoned off barrier tapes.
- The use of caution signs
- Wheel loaders and truck is fitted with seat belt to avoid tripping off the wheel loader operators
- Signal/flagmen are designated to the earth tripping and the earth moving operations
- The flagmen have cognate experience in such or similar operations and are always alert at all times
- A moving wedge is provided within the work area and also placed at a point beyond which fatal consequences may occur. The signal men/truck drivers' mate places wedges before a trip commences.
- No horse plays within
- Drivers/Operators to exhibit defensive ethnics
- Job Safety/Analysis on daily basis.

2. FIRE HAZARD

- 90KG DPC (wheeled) extinguisher with good charger to be provided and positioned strategically and manned by fire wardens on red alert.
- Vehicles exhausts are lagged and fitted with anti-spark devices.
- Gasoline is not used as fuel on work site except Diesel.
- There is an effective supervision by competent site Supervisor and compliance with client's P1W system and all precautions contained therein.
- Smoking, naked light and lantern are not allowed at the work site.
- Sparking of any metal on the flow line or the GGNL head is not allowed, as this is to avoid ignitable spark.
- Compliance with P1W system and all clients' recommended precautionary measure compulsory.
- Fire precaution signs is designed and erected at appropriate area.
- All workers are trained on the safety implication of the area and on prevention and fighting methods.
- No work is done without written permission from the client and the fire safety rules observed.

3. ELECTRICAL HARZARDS DUE TO BURIED CABES

- An inspection is carried out before any excavation work commences

- Excavation permit is obtained from the client before commencement of work

FINANCIAL RECORDS

Auditors:

We engage the services of accredited auditors and accountants for an update of our financial records.

Project Financing:

Our bankers are ready to finance our projects to the tune of (letter of confirmation shall be provided on client request).

THE MANAGING DIRECTOR

- Oversees the smooth execution of project by giving all technical and financial support required.
- Ensures all personnel and equipments are pre-mobbed before being deployed to site.
- Analyze feedback from project Engineer to ensure that targets, in terms of timely job execution and quality control meet specification. Ensures that policies are updated and duly signed and the work force understands and implements these policies.
- Ensure that bonus incentives are paid for high performance and schedule for project performance review is in place.
- Ensures workman compensation scheme for staff exist and is updated. Ensures that the workforce is adequately trained and those recommendations from audit/inspection review reports are implemented.

PROJECT ENGINEER/ARCHITECT

- He is in charge of all activities associated with the project.
- His functions include but not limited to the following:
  - ✓ Administration of all phases of the established Health, Safety and
  - ✓ Environmental plans on his project and ensures desirable results.
  - ✓ He is responsible for ensuring that his line supervisors have a clear
  - ✓ Understanding of each of their responsibilities and specific duties.
  - ✓ Reviews and evaluates the individual safety performance of all workmen and provide guidance and training where necessary to improve performance.
  - ✓ Carry out unsafe act Audits at site on a regular basis to ensure compliance with Standards.
  - ✓ Holds daily morning safety briefings and toolbox talks on details operations for the day and the necessary standards required for a safe operation. Minutes of the talks are kept in file.
  - ✓ Identifies Hazards
  - ✓ Presides over site committees with the officers as Secretary.

CASH OFFICER

- He/she reports to the Managing Director.
- Ensures all personnel on site are adequate and safe working procedures are maintained.

- Ensures all warning signs and CASHES policy are posted on site and understood by workmen.
- Safety officers are responsible for organizing and keeping records of all safety briefing)meeting including toolbox talks, management/workers

WORK EXPERIENCE

2015-Till Date: Prispat Engineering Ltd, Abuja as Head of Engineering Service. I am engaged in the implementation of Mechanical and Electrical services in building and high tension includes transmission line and power electrical power sub station. And I equally visit site to confirm the implementation of design and specification

April 2010-2015: Abb nig Ltd, Abuja as Sales Manager
I manage sales activities of the company in the northern part of Nigeria dealing with Utilities (Abuja Disco, Jos Disco, Kano Disco, Kaduna Disco etc) and EPC Contractor (energo, News Engineering, MBH Power etc.)

- Development of business through customer events such as seminars and workshops.
- Selling of ABBA power products (Power Transformers, Switchgears and Circuit breakers, instrument transformer from 11KV to 330KV, and automation products (substation automation systems and relays etc0
- Manage customer enquiries and analyze same and delegate activities to sales engineers and assistant towards meeting customer's expectation.
- Manage order and ensure timely delivery to customers
- Negotiation of contracts and closing of orders
- Ensure project delivery within budget and time maintaining quality and standards.
- Manage project risks through risk reviews with all project stake holders from project start up to finish.
- Management of Abuja Office.

NOVEMBER 2006 – MARCH, 2010: ABBNIG LTD, ABUJA AS SALES ENGINEER
Duties includes but not limited to the under listed:

- Studying of customer enquiries, tender document, pre-qualification and expression of interest notices for expected response.

- Make enquires from manufacturers to obtain principal quotations to form basis of pre-calculations for final quotation to be submitted to customers.
- Respond to customer enquiries and preparation of corresponding quotations.
- Preparation of tender quotation using pre-calculation Excel Sheet.
- Monitoring of tender to establish its status, attendance of pre-bid and post bid meetings as well as contract negotiation meetings.
- Preparation of technical proposals for projects execution
- Packaging of tender / pre-qualification documents.

JUNE 2001 TO NOVEMBER 2006: NEWS ENGINEERING (NIG) LTD, ABUJA.
EXPERIENCE RECORD IN NEWS ENGINEERING

As site Electrical engineer vested with the responsibility of supervising electrical installation at sites. Supervised the installation of 1X40mva 132KV transmission in Kubwa, Abuja. The scope of the installation works includes; movement of the transformer to site, positioning, leveling of transformer to the appropriate spirit level, stringing of 132KV & 33KV Bus after pole erection and dressing, general earthing of the substation, installation of audible alarm in parallel with existing one one on the Mobitra, installation of earthing transformer and 400A change over switch to feed the entire substation, construction & wiring of control building, graveling of the substation live area, design & installation of switch yard lighting pre-commissioning tests and commissioning.
As maintenance engineer overseeing the maintenance of 11KV panel breakers, RMU, Transformers, feeder pillars at 3NOS CBN Quarters located in Wuse II & Garki II, Abuja.
As commercial Engineer, responsible for completion of data schedule, equipment selection, completion of price schedule, documentation and packaging of pre-qualification / bid document. I was also involved in reinforcement of 132/33KV substation in Suleja, Katsina and Bauchi as well as the construction of 4OMVA 132/33KV substation in Keffi and Amukpe.

MARCH 2001 TO JUNE 2001: ARAB CONTRACTORS OAO UTAKO DISTRICT, ABUJA.
As site supervisor in charge of power supply & street lighting infrastructure to the District, I supervised laying of 33KV HT armoured underground cable, low voltage cables for both power and street lighting.

MARCH 1999 TO FEB. 2000: NATIONAL ELECTRIC POWER AUTHORITY ZONAL OFFICE WUSE ZONE 4, ABUJA.

As a youth Cops member assign to prepare the zone's daily, weekly & monthly fault report. Participate in metering of residential quarters during the period. Assisted the maintenance Manager in Maintenance activities.

JUNE 1997 TO DEC. 1997: NATIONAL ELECTRICAL POWER AUTHORITY DISTRICT OFFICE, WUSE ZONE 6, ABUJA.

As student trainee, I was trained on transformer testing such as insulation & earth resistance test, ratio test, flux linkage test, continuity test etc. using 5KV megger, 80KV DC insulation tester earth resistance tester, etc. I was trained on the installation of single, three phase and maximum demand meters during my training period. I was equally involved in fault clearing on 33KV, 11KV LT line and customer intake.

TRAINING / PERSONAL DEVELOPMENT
